The overall winner will be determined by the highest score earned in the final round on either Thursday night or Friday night. The top three placers in Thursday nights round are encouraged to compete in the Finals on Friday (but not required).

Early sign up is available at the Chattahoochee AITP Student Chapter table during the day on Thursday and Friday. There are limited seats available so make sure to sign up early! You can also sign up at the Chamber Room starting at 6:45pm (if there are any seats still available). Participants that do not make the finals on Thursday night may sign up for the Friday competition. However, priority will be given to those that did not have a chance to compete on Thursday night.

LAN Participants are encouraged to bring their own laptop to the competition (min. 64 Meg video card) to plug into the Gaming Server. LAN participants can also bring their own desktop gaming tower. Xbox participants are encouraged to bring their lucky controllers to the competition.

There will be plenty of "gaming theater seating" so bring your AITP student chapter members with you to cheer you on to victory!
