

# 2005 AITP National Collegiate Conference

April 7-9, 2005 | Renaissance Waverly Hotel, Atlanta, Georgia

## Ride the Wave of Technology

### Come Join the Nation's Top IT College and University Students

Make plans to be a part of the 10<sup>th</sup> Annual Association of Information Technology Professionals (AITP) National Collegiate Conference, April 7-9, 2005 in Atlanta and interact with more than 750 of the nation's top Information Technology students and faculty from leading colleges and universities from across the country!

Hear from top industry leaders presenting informative sessions on technology trends and interact with recruiters from some of the foremost, nationwide companies in the IT industry who will be on hand in the exhibit area. More than 750 Information Technology students and faculty are expected to attend the 2005 AITP NCC which will include a welcome reception, keynote speakers, breakout sessions and contest events which include:

- Systems Analysis & Design
- Web Design
- COBOL
- Student Chapter websites
- Java
- Network Design
- Visual Studio
- PC Troubleshooting
- Database
- Student Papers

### Start to Build Your Own Professional Network!

#### Who should attend:

- Information Technology Students
- Information Technology Faculty and Educators

#### Attend to:

- Hear first hand from IT executives about the future of the industry, trends and opportunities
- Learn more about careers in the IT field
- Network with peers and IT professionals alike
- Establish contacts and have career-related questions answered
- Proudly represent your college/university in the contest events
- Receive professional mentoring and guidance from IT professionals
- Attend the Career Fair/Exhibit area to participate in job interviews and potential internships with leading Information Technology industry organizations
