## Why Join a Professional Association?

- Participating in professional organizations improves your business skills and your professionalism.
- Membership provides you with a great opportunity to network with professionals who can help you with your self-development and career advancement.
- Attending meetings and conferences give you the opportunity to hear lectures by experts in your field.
- Future employers appreciate knowing that you are interested in keeping abreast of current issues and trends.
- Being a member allows you to take advantage of student leadership possibilities that not only help you develop your skills, but also prove useful on a resume.
- As a student, you are eligible for reduced membership fees. (The wealth of information you will learn will be worth ten times what you had to pay to be involved.)

To learn more, visit [www.aitp.org](http://www.aitp.org), attend a chapter meeting, or contact your faculty advisor.

Invest in yourself, in your future. Join AITP and become the next leaders of the IT profession.

### National Collegiate Conference

The AITP Annual National Collegiate Conference is the premier event for IT students, where 750+ students from colleges and universities participate in IT competitions and learn about the latest industry trends and how to prepare for the IT job market.

The 2009 14th Annual AITP National Collegiate Conference is being held April 2 - 4 in Oklahoma City, Oklahoma. To learn more on how to register, go to: [www.aitp.org/ncc](http://www.aitp.org/ncc)

### Online Newsletter

AITP's online bimonthly newsletter, *Information Executive /Nanosecond*, brings you the latest news about AITP events and activities at national, regional, and local levels, along with articles, opinions, and reviews of what is happening in the ever-changing world of IT.

### Affiliate Program

The AITP Affiliate Program offers many valuable member benefits. Partners like Microsoft and Robert Half provide member support and resources such as software, access to, scholarship information, salary guides, speakers, articles, white papers, and a career center. Additionally, over a dozen vendors offer discounts, such as 30% from FedEx Office!

### Web Portal

AITP's web portal is your comprehensive resource for information about IT as well as AITP. A Career Resource Center, scholarship information, industry white papers, forums on IT topics, upcoming conferences...all this and more at [www.aitp.org](http://www.aitp.org).

### About AITP

Founded in 1951, the Association of Information Technology Professionals is the IT organization of choice, providing leadership opportunities, professional development, & personal growth to nearly 7,000 members through partnerships with industry, government, and academia. More than 250 student chapters and 125 professional chapters provide an excellent source of learning about the IT industry through speakers, networking with peers, conferences, contests, and events.

To learn more, visit [www.aitp.org](http://www.aitp.org), attend a student or professional chapter meeting, or contact your faculty advisor.

Professionals make the difference...No matter how sophisticated the technology, it still takes people!
